※For third-year students in the Master's Program who have not passed only the thesis, the fees charged include miscellaneous fees, student insurance fees, and internet usage fees. The miscellaneous fees are calculated at a 25% discount based on the miscellaneous fees of the department. If there are still outstanding courses that have not been passed, the tuition fees for these courses will be charged at the rate of the 4-year college departmental credit fee and miscellaneous fees (per credit hour).

※For third-year students in the Master's Program for Working Professionals who have not passed only the thesis, the fees charged include miscellaneous fees, student insurance fees, and internet usage fees. The miscellaneous fees are charged at a 25% discount. If there are still outstanding courses that have not been passed, the tuition fees for these courses will be charged at the rate of the Master's Program for Working Professionals credit fee (per credit hour).
